Subject: L&D Services/ConsultOD System Costs

*I can confirm that the ICB **does not hold the information requested**; please see responses below:*

QUESTION	RESPONSE
It is my suspicion, based upon evidence received through other FOI requests from various ICBs and their historic CCG organisations that SCW failed to accurately 'cost' the charges which it made to these CCGs and then ICBs for the L&D services it provided, especially in relation to the ConsultOD system. Have you or your original CCGs any evidence of how the charges you paid were calculated or what the figures you paid were actually based upon? Was there a breakdown of costs?	The ICB does not hold this information. The ICB does not have a further breakdown other than that listed under the heading HR. This figure includes ConsultOD provision although this has not been shown as a separate financial cost within the SLA.

The information provided in this response is accurate as of 1 May 2024 and has been approved for release by Jo Hicks, Chief People Officer for NHS Bristol, North Somerset and South Gloucestershire ICB.
