Subject: Additional Roles Reimbursement Scheme (ARRS) and use by PCNs

I can confirm that the ICB does hold some of the information requested; please see responses below:

QUESTION	RESPONSE
1. For the current financial year and the previous financial year, please provide the number of Additional Roles Reimbursement Scheme (ARRS) posts approved by the ICB, broken down by role type (for example: Mental Health Practitioner, Social Prescribing Link Worker, Care Coordinator, Health and Wellbeing Coach). 2. For the same period, please provide the number of ARRS posts filled, broken down by role type.	1. Total number of ARRS posts approved by the ICB, broken down by role type: • April 2025 - December 2025 (enclosed) • April 2023 - March 2024 (enclosed) 2. Total number of ARRS posts filled, broken down by role type: • April 2025 - December 2025 – 4734 (enclosed) • April 2023 - March 2024 – 4075 (enclosed)
3. Where available, please provide the number of Primary Care Networks (PCNs) within the ICB that: i. Are utilising Mental Health Practitioner ARRS roles ii. Are utilising Social Prescribing Link Worker ARRS roles	i. 13 ii. 20
4. Where held, please provide the average or estimated utilisation of ARRS-funded Mental Health Practitioners (for example, average caseload or appointments per week).	The ICB does not hold this information

5. Please confirm whether PCNs within the ICB are expected to use ARRS roles to support: i. Patients with health conditions affecting work ii. Fit Note–related activity iii. Patients at risk of falling out of employment	The main aim of the Additional Reimbursement Roles Scheme (ARRS) is to enable PCN's to recruit additional healthcare professionals into general practice to support the healthcare needs of their patient population. The responsibility, however, lies with the PCN's ensuring that appropriate services are available to meet the health needs of all their patient population without any discrimination against the following - i. Patients with health conditions affecting work ii. Fit Note–related activity iii. Patients at risk of falling out of employment
6. For the current and previous financial year, where held, please provide: i. The total number of Fit Notes issued by GP practices within the ICB ii. Any available breakdown by duration (for example, short-term vs long-term Fit Notes)	The ICB does not hold this information
7. Please confirm whether the ICB has undertaken any analysis or holds any reports relating to the following and, where held, provide copies of such: i. The impact of ill health on employment ii. The use of primary care data to support work and health interventions	The ICB does not hold this information

8. Please confirm whether PCNs or GP practices within the ICB are currently involved in any case-finding initiatives related to employment, work retention, or Fit Note reform.	The ICB does not hold this information
